9/13/07

Ethan Jacobs

The Bisexual Resource Center and Fenway Community Health will co-sponsor the local celebration of Celebrate Bisexuality Day Sept. 20 at Tavern in the Square in Cambridge's Central Square. During the event Fenway will distribute copies of a new publication developed by the **National Gay and Lesbian Task Force**, Fenway and BiNet USA called Bisexual Health, which includes general information on bisexuality and bi health issues and details the development of Fenway's Bi Health program.

The celebration will include free appetizers and soft drinks, a cash bar, free copies of Bisexual Health and other information and resources on bisexuality, and door prizes and bi-themed merchandise for sale. Attendees will have the opportunity to socialize and learn about health issues facing the bisexual community. The event is free and open to the public.
