Founded in 1973, the National Gay and Lesbian Task Force Foundation (the Task Force) was the first national lesbian, gay, bisexual and transgender (LGBT) civil rights and advocacy organization and remains the movement's leading voice for freedom, justice, and equality. We work to build the grassroots political strength of our community by training state and local activists and leaders, working to strengthen the infrastructure of state and local allies, and organizing broad-based campaigns to build public support for complete equality for LGBT people. Our Policy Institute, the community's premiere think tank, provides research and policy analysis to support the struggle for complete equality. As part of a broader social justice movement, we work to create a world that respects and makes visible the diversity of human expression and identity where all people may fully participate in society. Headquartered in Washington, DC, we also have offices in New York City, Los Angeles, and Cambridge. The Task Force is a 501(c)(3) corporation incorporated in Washington, DC. Contributions to the Task Force are tax-deductible to the full extent allowed by law. <http://www.TheTaskForce.org>

The National Gay and Lesbian Task Force, Inc. ("NGLTF, Inc."), founded in 1974, works to build the grassroots political power of the LGBT community to win complete equality. We do this through direct and grassroots lobbying to defeat anti-LGBT ballot initiatives and legislation and pass pro-LGBT legislation and other measures. We also analyze and report on the positions of candidates for public office on issues of importance to the LGBT community. NGLTF, Inc. is a 501(c)(4) non-profit corporation incorporated in New York. Contributions to NGLTF, Inc. are not tax-deductible.
