¹Metro Louisville, the merged Louisville and Jefferson County government, repassed and combined these laws in 2004 to apply to Metro Louisville. Indianapolis and Marion County's shared governmental structure passed this law.

²The law passed in Johnson County only applies to unincorporated areas of the county, population 21,559, although the national statistics are unaffected because Iowa now has a statewide law. 2,135 Portlanders live outside of Multnomah County and that 2,274 Lake Oswegoans live inside of Multnomah County, however this doesn't affect the national statistics because Oregon now has a statewide law.

NOTE: Only laws that reach private entities are included above. Additional states and cities have policies against discrimination against public employees. The most recent version of this fact sheet is available on the transgender issues section of www.thetaskforce.org. Population data from 2000 Census. Last updated July 2008.
